

The Ninth Annual
**Brain Injury Services
Charity Golf Tournament**

Monday, May 21, 2012
Fairfax International Country Club, Fairfax, Virginia

Over the past seven years, this tournament has raised approximately \$414,000 to improve the lives of individuals who have endured a traumatic brain injury. Sponsors have played a significant role in this effort. Please consider one of the available sponsorships, and start enjoying the benefits today.

All tournament participants will enjoy 18 holes on one of Northern Virginia's premier courses, followed by cocktails, dinner, silent and live auctions and multiple prize challenges throughout the day.

Since 1989, financial support from donors like you have enabled Brain Injury Services to develop, provide and expand vital programs and services to a grossly underserved population in our community. These include adult and pediatric case management, clubhouse day programs, a supported living program, volunteer placement, support groups, and more. Please visit www.BrainInjurySvc.org.

Your tax-deductible contribution will truly make a difference in the life of an individual with a brain injury. We thank you for your participation in our tournament.
