

The Seventeenth Annual **Brain Injury Services Golf Tournament**

Monday, May 3, 2021

Country Club of Fairfax

For over 30 years, Brain Injury Services (BIS) has improved the lives of children, teenagers, adults, and military veterans who have suffered a traumatic brain injury. We are able to continue and improve our offerings each year through the money raised during our annual Golf Tournament event, which raises critical dollars used to support our services, programs and ultimately the more than 1,000 individuals and their families who come to BIS each year.

I invite you to join us for our 17th Annual Charity Golf Tournament, which will take place on Monday, May 3, 2021 at the Country Club of Fairfax, located at 5110 Ox Road, Fairfax, VA 22030. We are working diligently with the Country Club of Fairfax to ensure a safe and social distanced tournament for all attendees. We are aware and monitoring all local state and national protocols to ensure a pleasant experience. Your sponsorship includes lunch, giveaways, 18 holes of golf at one of Northern Virginia's premier courses, followed by cocktails and more fun opportunities to win prizes.

Brain injuries can occur at any time, a car accident, stroke, sports injury or incident at work or school. Brain Injury Services has case managers who meet with, guide and assist clients and family members through some of the most challenging times in their lives. BIS assists children with their education through adaptive technologies and services. It also helps clients discover new skills, prepare for social situations, provide a place to conquer fears and overcome physical challenges while participating in a person-centered supportive community.

Sponsors and participants rave about this tournament and return each year, so be sure to sign up for your sponsorship and foursomes before they are gone. There's a sponsorship level for every budget. Your tax-deductible contribution will help Brain Injury Services continue its mission to empower those impacted by brain injury.

Thank you for your participation in this event and special thanks to all of our sponsors!

Paul N. Kashchy
2021 Tournament Chair

**BRAIN INJURY
SERVICES**

OUR MISSION

To empower those impacted by brain injury and to build a community where every person touched by brain injury pursues their vision of a fulfilling life

CLIENT STORIES

Isabella and her family were in a serious car accident caused by a drunk driver. Isabella, who was six years old at the time of the accident, suffered a skull fracture and was in a coma for 48 hours. Because of her brain injury, Isabella was out of school for a month and when she returned, she had difficulty with retaining and learning new material. By second grade, the family

requested a learning disability test and was denied, even with sufficient evidence that she was going to 3rd grade at a 1st grade level. After reaching out to a church for assistance, her mother was referred to Brain Injury Services (BIS).

Isabella's BIS case manager was able to help her by reaching out to the Special Education Department of Fairfax County to advocate on her behalf. Soon after she was finally tested and qualified for services that allowed for an individualized education program. BIS also was supportive to the family by providing resources for food, medical expenses, educational summer camps for Isabella, as well as Christmas gifts and Thanksgiving baskets.

Kitti Tong uses art to express the words she cannot say. In 2018, Kitti was struck by a car while using the crosswalk on her way home from work. A severe traumatic brain injury resulted in right side spasticity, aphasia and apraxia (a loss of language).

A fine art hobbyist prior to her injuries, Kitti has re-learned to paint using her non-dominant hand and changed focus to abstract interpretations. Her art has been a tremendous help to her recovery, confidence and self expression.

With the help of BIS, Kitti continues to restore language using art, working closely with team members through the process of applying and exhibiting at her first professional show in 2021! To view her recent work, please visit www.citizenshipforkitti.org.

Our Programs

ADAPT Clubhouse offers a vocational-oriented day program located in Alexandria that gives individuals with brain injuries the opportunity to participate in a supportive work-ordered day to help them lead productive lives. This is achieved through skill building, volunteerism, vocational exploration, and Employment Development Services (EDS).

Adult Case Management is a community-based case management system that supports person-centered planning using a survivor-directed approach designed to maximize strengths and abilities with the goal of empowering individuals with brain injuries to build and be part of a community.

ComPASS (*Community Participation And Skill-building Services*) uses dedicated occupational therapists that help clients build life skills through the use of cognitive rehabilitation, assistive technology, and other therapeutic approaches.

Counseling Services are short-term, goal directed counseling services for clients and their caregivers.

Fredericksburg Community Services offers a day program that serves clients individually and in groups with the goal of increasing their integration into the community.

Pediatric Case Management uses comprehensive services that are family centered and allow children with brain injuries to maximize their capabilities and achieve personal success at school and in their community.

Vocational Programs help individuals with brain injuries set suitable volunteer and employment goals, find and keep a paid or volunteer job, and thrive at work using the long-standing supported employment model.

Volunteer Programs provide service opportunities that facilitates success in accomplishing individual goals, including finding productive activities in the community such as Speaker's Bureau, PALS, and Person-Centered Volunteering.

SPONSORSHIP OPPORTUNITIES

Monday, May 3, 2021
Country Club of Fairfax

ELITE SPONSORSHIPS

EAGLE SPONSOR — \$7,500

- Opportunity to address attendees before tournament tee-off
- Recognition in tournament publicity*
- Recognition (verbal + slideshow) at dinner
- Name/logo/link on scrolling banner on BIS homepage and on tournament webpage
- Name on clubhouse banner
- Full page ad in event program**
- Company name and URL in two (2) BIS monthly E-newsletters (circulation 2 x 5,500)
- Flag sponsorship
- One (1) Foursome

BIRDIE SPONSOR — \$5,000

- Recognition in tournament publicity*
- Recognition (verbal + slideshow) at dinner
- Name/logo/link on scrolling banner on tournament webpage
- Name on clubhouse banner
- Full page ad in event program**
- Company name and URL in two (2) BIS monthly E-newsletters (circulation 2 x 5,500)
- Flag sponsorship
- One (1) Foursome
