Monday, May 2, 2022 • Country Club of Fairfax

For over 30 years, Brain Injury Services (BIS) has improved the lives of children, teenagers, adults, and military veterans who have suffered a traumatic brain injury.

We are able to continue and improve our offerings each year through the money raised during our annual Golf Tournament event, which raises critical dollars used to support our services, programs and ultimately the more than 1,000 individual survivors of brain injury and their families.

I invite you to join us for our 18th Annual Charity Golf Tournament, which will take place on Monday, May 2, 2022, at the Country Club of Fairfax. Your sponsorship includes lunch, giveaways, 18 holes of golf at one of Northern Virginia's premier courses, followed by cocktails and more fun opportunities to win prizes.

Sponsors and participants rave about this tournament and return each year, be sure to register your foursome or sponsorship before they are gone. Your contribution will help Brain Injury Services continue its mission of empowering those impacted by a brain injury.

Thank you for your participation in this special event.

2022 Tournament Chair
